## PROBLEM SOLVING GENIUSES

**WHATS YOUR PROBLEM?** If you lead a company, pay the payroll, insure the assets, clean the facility or manage operations, you have something in common with every other job description – every week you face at least one challenging **PROBLEM** that needs to be solved. Many times these problems are recreated from last week's problem that was not adequately addressed – and the monster grew!

With the SUGAR SNAP PEAS process, your team or organization will learn creative methods and techniques for getting past the symptoms of a problem and into the elements of effective solutions that make lasting change.

We think big, dream wildly, study context, laugh and do great work – in only 20 minutes! [30 min also available] You'll leave with unique tools to help you solve ANY PROBLEM – professional or personal.

### HOW WILL YOUR GROUP BENEFIT FROM THE SUGAR SNAP PEAS WORKSHOP?

1. **Teams that are limited by the lack of appropriate resources** (money, expertise, space) will learn how to innovate and be more productive than if they had what they think they need.
2. **Organizations facing challenging changes** that threaten how they function discover new ways to accomplish the overall mission and vision – challenges become instigators for creativity and fresh energy.
3. **When morale is suffering** – creativity, new perspectives and ideas, and re-channeling our energies into those new concepts, turns the energy from one another into a collaborative breakthrough!
4. **When the way you do things no longer accomplishes the success you need** – it's time to ask new questions, find new resources, explore new options and get empowered. It's time for Sugar Snap Peas!

*SUGAR SNAP PEAS is also offered as a half-day professional workshop using many unusual tools and interactive features to assist your team with problem solving, conflict resolution, leadership development, vision casting, and innovation.
